

Introduction to E-Learning WorkShops

Gippsland
Connect

This is the perfect opportunity to start thinking about what e-learning can look like at your centre.

As part of the Gippsland Connect round 6 CAIF grant we are developing an introduction to e-learning workshop for you, your committee and/or staff to find out more about the practicalities of introducing e-learning and blended learning approaches.

One the day we have some fantastic resources to share and planned activities to help you make sense of eLearning and blended learning.

Discover your elearning potential, how it may benefit your organisation, teachers and learners.

Learn about strategies and planning techniques for implementing blended delivery in a supported learning environment.
