

# Moderation Meeting

Gippsland  
Connect

The team from Gippsland Connect would like to invite you to join us for a moderation session.

The end of second term is fast approaching; the perfect time to review your courses.

This is an opportunity to brainstorm learning plans, share resources, review A Frames and complete the documentation required by ACFE to demonstrate continuous improvement.

We welcome any queries regarding the A Frame or Moderation. You can add any queries or any specific areas you would like to address to the registration form.

We have explored the possibilities of online moderation sessions and are happy to discuss our experiences and share resources.

This session is open to everyone who develops and delivers pre-accredited training using the A Frame.

Bring your courses for review!

A light luncheon will be provided at the conclusion of the moderation session.
